## FOOD & ACCOMMODATION

**Central to the Delphi experience is our food. We believe in the positive benefits of wholesome, fresh and natural food.**

For that reason where possible we source our food locally from lobster and mussels fished daily from Killary fjord, to lamb that was reared in the very mountains which surround us.

All of our food is prepared with the love, care and attention that we put into all aspects of the resort. Relax in our stunning restaurant with a glass of wine and enjoy the breathtaking mountain views while you enjoy one of our sumptuous meals.

Accommodation at Delphi Mountain Resort includes: Cosy Double Rooms, Family Rooms, Loft Suites, Luxury Suites and Wow Factor Two Bedroom Suites.

All of our beds are dressed with beautiful cotton sheets to ensure you have a blissful night's sleep, free from all interruptions. Our rooms have been carefully decorated to enhance the relaxing ambience, with deep shag pile carpets, natural wooden floors and large, cosy couches. No TVs in sight!
